

Dear Parents/Carers,

Another great week has been had by all with everyone delving into their new topics. The Topic webs can be found under the class pages on the website and will be sent out to you.

We had a fabulous assembly by the RNLI this week with all the children participating and developing a greater knowledge and understanding of how to stay safe whilst at the beach. The visiting lifeguards were impressed by the children's behaviour and engagement in the assembly as well as their recall of behaviour in the water.

We are really looking forward to acknowledging and celebrating VE day on Thursday and we can't wait for you to join us in the afternoon for our street party on the playground. Each class has been given some suggested foods to bring in to support this event. This is an important acknowledgement of the sacrifices that were made by service men and women to keep us safe.

Thank you to everyone who supported our first 'Frozen Friday' fundraiser of this term. We are always looking at ways of fundraising to purchase the 'extras' that we know the children enjoy and supplement the resources needed to provide the engaging curriculum.

We are building up our supplies of second uniform and will shortly be putting a rail out in the foyer. If you need anything specific please do not hesitate to ask. We are always looking at supporting ways to recycle and reuse and focus on sustainability and the second uniform is a great way of doing this.

Have a great bank holiday and enjoy the may day celebrations in the village.

Many thanks
Mrs Sally Cook

Fox Class Update

This week has been absolutely glorious with wonderful weather, and we have thoroughly enjoyed spending plenty of time outdoors. We had a great time reading the story *Lost and Found* by Oliver Jeffers, which inspired us to do some fantastic writing activities related to the book. In maths, we focused on learning how to count on using a number line, which helped us improve our number skills. Our science lessons were also interesting this week as we explored different habitats for animals, discovering where various creatures live and what makes each habitat special. It's been a fun and engaging week full of learning and outdoor adventures!

Owl Class Update

This week we have loved researching and writing fact files about Arctic animals, discovering fascinating facts about creatures that brave the cold. We also practiced giving helpful advice on what to do if someone gets lost, like in our story, Lost and Found. In DT, we explored Baby Bear from Goldilocks, examining different chairs to find the perfect one for him. We also investigated how different shapes can make structures strong, stiff, and stable. We checked the strength of our structures by adding books on top until it collapsed!

Otter Class Update

Otter class have definitely made the most of the sunny and dry weather over the past two weeks. In Wild Tribe, we have created some dens using rope, tarpaulins and some of the natural resources we have found in the school grounds. This has been brilliant at promoting excellent problem solving, communication and creativity. In PE, we have started lessons in cricket. I have been very impressed by the determination and skill shown so far.

Kestrel Class Update

We've had another busy and exciting week in Kestrels. In Maths, Year 6 have been exploring area and perimeter, while Year 5 have been learning to convert fractions into decimals. In Literacy, we have continued reading *Robot Girl* and have been writing to build suspense and tension using powerful vocabulary and varied sentences. In Science, we've been plotting graphs to compare the gestation period of humans with the mass at different points. In History, we've continued learning about the Mayans, creating a timeline to understand when their civilisation existed which we found really interesting.

WEEK 1

W/C: 21/04/2025, 12/05/2025, 02/06/2025, 23/06/2025, 14/07/2025, 15/09/2025, 06/10/2025

Help Us Raise Money by Recycling Printer Cartridges!

We are collecting empty printer cartridges to raise money for school through Recycle 4 Charity. Instead of throwing away your used cartridges, bring them to us and help support our fundraising efforts for our school! Each recycled cartridge contributes to our cause, helping both the environment and our goal.

Simply drop off your empty cartridges at The School Office. Every donation makes a difference—let's recycle and raise funds together! ♻️

Recycle Your Ink Cartridges
