Head of School: Sally Cook

Dear Parents/Carers,

Welcome back! I hope you all had a restful and enjoyable half term break. It's lovely to see the children return refreshed and ready for the exciting weeks ahead. This final half term is always a busy and memorable one, with plenty of activities, trips, and celebrations planned. We're looking forward to making the most of every moment and ending the school year on a high. As always, thank you for your continued support—we're so proud of our school community and everything we achieve together.

This week, our younger pupils embraced a range of enrichment opportunities with great enthusiasm. They grasped each experience with both hands, demonstrating curiosity, confidence, and a love of learning. As always, their behaviour was exemplary, and they proudly embodied our school values of *ambition*, *creativity*, and *positive relationships*. It was a pleasure to see them representing our school so well

Our attendance has slipped a little this week, and we're hoping to see it improve in the coming days. Being in school every day makes a big difference to children's learning and friendships. With your support, we'd love to get our whole-school attendance back above the national average. Let's work together to make every day count!

A big thank you to everyone who has supported our Frozen Friday ice lolly sales. Your contributions make a real difference—this fundraising helps us provide those little 'extras' that enrich the children's school experience. We really appreciate your continued support!

### PTA – We Need Your Support!

Our PTA plays a vital role in supporting the school and enriching the children's experiences. Without their fundraising efforts, many of our trips and activities simply wouldn't be possible. To continue this fantastic work, the PTA needs more volunteers. If you can spare a little time to help with events or planning, we'd love to hear from you. The next meeting is on **Thursday 12th at 2pm** – everyone is welcome!

Best wishes  
Mrs Sally Cook  
Head of School

## Fox Class Update

What a lovely and busy first week back we have had! Our week kicked off with an exciting adventure as we transformed into superheroes. The children completed superhero training, demonstrating their impressive skills and bravery. They also got creative with some fun craft activities, designing their own super costumes and accessories. To top it all off, we launched our mini heroes into the sky, imagining them soaring through the clouds—what a fantastic way to start the term! Later in the week, we went on an inspiring trip to Launceston Castle and The Barn. It was a wonderful day filled with exploration and discovery. The children behaved beautifully and represented our school with pride and kindness. They enjoyed learning about history and nature, making memories that will surely last a lifetime. Today, we wrapped up our busy week with a burst of creativity in Art Day. The children used their imagination and artistic skills to create some truly beautiful pieces. It was wonderful to see their enthusiasm and talent shine through in their artwork.

Wow, what an exciting and fulfilling week it has been! We are all looking forward to more adventures and learning ahead .

## Owl Class Update

It's been an action-packed and exciting time for Year 1 and 2! The children have been extremely busy taking part in a wide range of enrichment opportunities. They showed amazing energy and teamwork during our Superhero Day of Sport, and thoroughly enjoyed stepping back in time with a fascinating visit to Launceston Castle and The Barn and Year 2s had a wonderful day exploring nature and learning about the environment at the Sustainability Centre. To finish the week creatively, everyone took part in our whole-school Art Day on Friday, producing some fantastic artwork. It's been a joy to see the children so engaged, curious, and enthusiastic across all these experiences!

On Friday, everyone took part in our whole-school Art Day, where creativity was in full flow. The children showed ambition and resilience as they designed and created small decorated tea cups and clay 'tiles', using the score and slip technique to add detailed features. It's been wonderful to see such creativity and curiosity throughout the week!

## Otter Class Update

We've had a great few days back at school after half term last week. Most of it has been very art based! On Wednesday, we finished painting our fabric designs. We used a variety of techniques to do this. Including using PVA glue to mark patterns on our fabric, which will wash out when we rinse them in warm water, leaving some great patterns on our fabric! We also had Art day on Friday, where we spent the majority of the day designing, sketching and creating a wide array of different 3D sculptures.

## Kestrel Class Update

Kestrels have had another busy and engaging week of learning. In literacy, we've started a new unit exploring *Rain Player* by David Wisniewski—a gripping tale set in the world of the ancient Maya, where a brave boy must challenge the mighty god Chac in a dramatic game of Pok-A-Tok to save his village from drought and famine. In guided reading, we've begun *The Secret of Haven Point*, where we've met the mysterious Captain, the courageous girl Alpha, and an enchanting group of mermaids. Meanwhile, in topic, we wrapped up our fascinating history work on the Maya civilisation and concluded our science lessons by discovering how humans grow and change over time. In maths, Year 5 have been learning about area and perimeter, while Year 6 have been exploring properties of shape and practicing how to use protractors accurately. On Friday, we had a fun art day focused on architecture, guiding pupils through observational drawing, printmaking, and building design.

## Help Us Raise Money by Recycling Printer Cartridges!

We are collecting empty printer cartridges to raise money for school through Recycle 4 Charity. Instead of throwing away your used cartridges, bring them to us and help support our fundraising efforts for our school! Each recycled cartridge contributes to our cause, helping both the environment and our goal.

Simply drop off your empty cartridges at The School Office. Every donation makes a difference—let's recycle and raise funds together! ♻️
