Head of School: Sally Cook

Dear Parents/Carers,

We've reached the end of another fantastic week at Lewannick and we're so proud of how well the children have coped with the heat while continuing to give their best in class and during playtimes.

Hot Weather Update

With the hot weather continuing, we'd like to thank all families for ensuring children are coming to school prepared. Please remember to:

Send in **named sun hats** and **refillable water bottles**

Apply **long-lasting sun cream** before school

Once again we welcomed the Pop up play village into school which was a fantastic experience for our youngest pupils, who absolutely loved exploring, role-playing, and learning through imaginative play. Events like these are such a valuable way to build confidence, social skills, and creativity in a fun, supportive environment. It was lovely to see so many happy faces! Thank you to the PTA for providing some funding for this.

Kestrel Class have been working incredibly hard in rehearsals for their upcoming performance of *The Lion King*, and we are so impressed with their enthusiasm, focus, and talent! From learning lines and songs, the children are really bringing the magic of the savannah to life. We can't wait to see it all come together on stage—watch this space for more information!

We understand many of you are starting to think about who your child's class teacher will be next academic year. Once our budgets are confirmed by the Directors on 9th July, we will share plans with you as soon as possible. These decisions are complex, influenced by rising costs and smaller pupil numbers nationally, but please be assured that every choice is made with the children's best interests at heart to ensure the best possible learning environment.

We've had a number of children off with sickness this week, and we'd like to thank all families for your understanding and support in following the 48-hour rule to help prevent the spread of illness. We really appreciate your help in keeping our school community as healthy as possible.

Enjoy the sunshine and have a good weekend
Best Wishes

Sally Cook
Head of School

Fox Class Update

We've had a fantastic couple of weeks! Last week we enjoyed *Handa's Hen* and this week we've loved exploring *Goldilocks and the Three Bears*. A big highlight was the **Pop Up Play Village** visit on Monday — the children had a great time role-playing in the ambulance, ice cream station, and campfire areas. In science, we've been busy investigating different materials, and our music sessions with Mr. Harrison are always a joy. We've also been brilliant role models, helping the pre-school children settle in during their transition visits.

Owl Class Update

What a fantastic and busy week in owls! Year 2 students worked incredibly hard to complete their SATs, showing great resilience and focus. They also started a new adventure with their book, *Ocean Meets Sky*, where they used adjectives and past tense to bring the characters to life in their descriptions. It was wonderful to see their creativity shine through in their writing! Meanwhile, Year 1 had a fantastic time at the sustainability centre, exploring ways to look after our planet and discovering new, eco-friendly ideas. They really enjoyed getting hands-on and learning about how small actions can make a big difference. In our geography lessons, everyone explored Lewannick in detail. The children drew their own maps, paying attention to different features and symbols, which helped them understand more about the place they are learning about. All in all, it's been a week full of exciting learning experiences, teamwork, and new discoveries in the owls' world!

Otter Class Update

This week across the school has been 'test week'. In the mornings we have completed our end of year tests, and I feel very proud of all of the children's efforts and attitude towards them. Outside of this, I thought I'd share some of the photos from our learning from our foundation subjects. Keep a close eye on the Facebook page next week for all of our residential photos!

Kestrel Class Update

The Kestrels have had a busy week with much of the time spent completing end-of-year tests. The children have shown great focus and resilience and we're very proud of their efforts. Despite the testing, we've continued with our usual afternoon lessons. In Science, we've been learning about the heart – how it works and why it's so important. In Art, the children have enjoyed exploring street art. Geography has taken us into the world of town planning, thinking about where a building should go. In PE, we've been working on athletics, practicing running, jumping, and throwing with energy and enthusiasm. We also had a special treat on Friday – the children took part in a life-saving first aid session and learned some really valuable skills. We're also in full swing with rehearsals for our end-of-year production. The children are really throwing themselves into the performances, learning lines and songs with growing confidence. Thank you for supporting this at home – every bit of practice helps!

Help Us Raise Money by Recycling Printer Cartridges!

We are collecting empty printer cartridges to raise money for school through Recycle 4 Charity. Instead of throwing away your used cartridges, bring them to us and help support our fundraising efforts for our school! Each recycled cartridge contributes to our cause, helping both the environment and our goal.

Simply drop off your empty cartridges at The School Office. Every donation makes a difference—let's recycle and raise funds together! ♻️

**Recycle Your
Ink Cartridges**
