

NEWSLETTER 18th July 2025

Dear Parents/Carers,

We've had a truly exciting couple of weeks at school! From wonderful trips to Rosemoor, to the high-energy Sports Day and the colourful fun of the Colour Run, there's been so much to celebrate. This week, children embraced two transition days, thriving in their new classes and showing great enthusiasm for what lies ahead. We also enjoyed the brilliant Kestrels production — a real highlight! Despite all the excitement (and some tired faces!), our children have continued to demonstrate our school values of **ambition**, **creativity**, and **relationships**. Well done to everyone!

Today, the children had the chance to redeem their hardearned Dojo points! Rewards included time at the park, extra playtime, and a dip into the lucky dip — with some children earning the chance to enjoy this more than once. These points were collected through consistent effort and ambition, including reading at home, and by showing our school values and following our school rules. We have found these points have really supported the children with showing their best and fulfilling our motto of 'Be the Best You'.

We will be holding a pre-loved uniform sale after school on Monday and Tuesday next week. All items will be just 50p each. If you have any specific uniform needs, please let me know.

As we head into the summer break, you may be thinking about buying new school shoes. If your child's current shoes still have some wear left in them, please consider donating them to school. We often have children who are in need of spare pairs, and your donations can make a real difference.

Next week, we say goodbye to our wonderful Year 6 pupils as they move on to secondary school. We wish them all the very best of luck and every success in the exciting journey ahead. We'll miss them greatly and look forward to hearing how they're getting on in their new schools. Go and shine, Year 6! We will also be saying a fond farewell to Mr Burnip as he moves on to pastures new. We thank him for all his hard work, dedication, and the positive impact he's had during his time with us. We wish him every success in his next adventure!

A thought for the day:

"You're braver than you believe, stronger than you seem, and smarter than you think." – A.A. Milne

Fox Class Update

What an incredible year it has been in Foxes! I am so proud of how much the children have grown and developed over the past year. Their enthusiasm, curiosity, and willingness to take on every challenge has made them an absolute joy to teach. This week, we've been diving into the exciting world of Vikings through our current book, *How to Be a Viking*. The children have thoroughly enjoyed this story and have brought their learning to life in some amazing ways. They've designed and created their very own Viking shields, letting their creativity shine, and even designed impressive Viking boats! In Maths, we've been exploring the concept of capacity, which has been both educational and lots of fun, especially with the addition of water play to bring the learning to life! As we wrap up the year, I want to wish you all a fantastic summer holiday. Enjoy the break, spend time together, and most importantly—have fun! I look forward to seeing everyone in September.

Owl Class Update

What a fantastic week we've had in Owls! We kicked things off with some exciting math lessons all about money, learning how to count, save, and spend wisely. Kestrel class wowed us all with their incredible performance of The Lion King, bringing the jungle to with their singing and acting skills. We also had a smooth and fun transition days, meeting our new teachers and getting ready for the adventures ahead. been a busy, fun-filled week full of learning and new experiences!

Otter Class Update

In Otter class, over the past few weeks, we have been extremely busy in our build up to the end of the academic year. We had a lot of fun creating biscuits during our whole school DT day. We firstly 'sampled' a selection of biscuits and made notes about them, before editing a recipe and making some biscuits in the afternoon. We also decorated them using a variety of toppings. They turned out delicious! We also did some Wild Tribe sessions, where we were able to light fires. I was really impressed by the teamwork, communication and maturity that was shown during these lessons. As well as these events, we have continued with our writing, reading maths etc. I have been blown away with some of the writing in the past few weeks. It is fantastic to see how the entire class are using writing skills that they have learnt throughout the year, and using them altogether in their writing now.

Kestrel Class Update

Kestrel Class has had an incredibly busy and exciting week! On Monday and Tuesday, the children enjoyed meeting their new teachers during transition days, getting a taste of what's to come next year. Wednesday saw the dress rehearsal for our amazing school production of The Lion King, followed by a fantastic evening performance to a full house where the children truly shone. On Thursday morning, we gave our final performance before returning to school for some hands-on science

activities and an afternoon of forest school where we made small fires. Today was DT Day and the children designed, created, and cooked their own spaghetti bolognese – a delicious way to end such a fun-filled week!

Help Us Raise Money by Recycling Printer Cartridges!

We are collecting empty printer cartridges to raise money for school through Recycle 4 Charity. Instead of throwing away your used cartridges, bring them to us and help support our fundraising efforts for our school! Each recycled cartridge contributes to our cause, helping both the environment and our goal.

Simply drop off your empty cartridges at The School Office. Every donation makes a difference—let's recycle and raise funds together!
